The Texas-Oklahoma Kiwanis Foundation was conceived with a single purpose in mind, to serve the children in the Texas-Oklahoma Kiwanis District. The Foundation has over a 50 year history of sponsoring leadership development in the youth of Texas and Oklahoma.

The Foundation awards thousands of dollars in scholarships each year to deserving high school students of the Texas-Oklahoma Key Club District and college students of the Texas-Oklahoma Circle K District. Additionally, Sophomore of the Year scholarships are awarded to outstanding high school students each year.

The Foundation also supports one of the key tenants of Kiwanis by supporting the training of our district youth. The Kiwanis International leadership development program, Key Leader, holds multiple events within the district throughout the year that are partially underwritten by the Foundation. The Circle K Fall Retreat also receives support from the Foundation.

The Foundation receives support from the members of the Texas-Oklahoma Kiwanis District through gifts and contributions including, but not limited to, the annual club gift, C.T. Bush Awards, the Legacy Society, Lifetime Memberships and Memorial awards.
